The 20th foundation day of the Indian Forest Service, organized by the Ministry of Environment, Forests and Climate Change in coordination with Film and Television Institute of India (FTII) Pune, was celebrated in the capital on Thursday. The chief guest on the occasion was the President of India.

**New Delhi, Aug 3**

A group of 89 Probationers from the Indian Forest Service Officers, the President said that they have chosen a very noble profession. Forests have always been special to us, he added. The onus of protecting this heritage is long on the Forest Service Officers. On them lies the responsibility of ensuring that nothing threatens the survival of human kind due to environmental change issues. Our National Forest Policy envisages 33 per cent of the forest cover and above all attention on important aspects of protection, promotion and support of biodiversity. In this connection, the State Health Education Bureau and Family Welfare Bureau of DHMS conducted a healthy baby contest in the Anganwadi Workers to the theme ‘Sustaining the Community Hall. The contest was conducted by the School for the Summer and Winter months of age to reduce the malnutrition and Child survival. He appealed to the anganwadi workers to sensitize on the important aspects of promotion, protection & support of breastfeeding and Infant & Young Child Feeding Practices (IYCF).

The Indian Forest Service (IFSI) was established in 1865 by the British government to protect and manage the forest resources in India. The mission of the Indian Forest Service is to conserve and sustainably manage the forest resources of India in order to meet the needs of the present without compromising the needs of the future. The Indian Forest Service has played a crucial role in the development of forestry in India and continues to be a vital component of the country’s forest management strategy.
